

The Founder + The Legacy

ANNE KLEIN

Anne was a visionary designer who originated the concept of a fully coordinated closet, providing a uniquely American point of view to the global fashion industry. Her trademark separates became the hallmark of a purposeful and stylish wardrobe - one that has informed trends for decades.

Today, versatility and ease continue to drive the evolution of the brand. Each collection celebrates all aspects of a women's lives - giving her a wardrobe that works as hard as she does, destined to live at the front of her closet.

ANNE KLEIN

**Iconic Brand with
\$700 Million Global Retail
